# SCHOOL DISTRICT NO. 36 (SURREY)

No. 7212

## POLICY: EMPLOYEE CONDUCT

---

By the nature of the positions they hold, personnel employed by the school district may be perceived as role models for pupils. The Board expects, therefore, that personnel will at all times conduct themselves so as to set a good example for pupils and not bring discredit upon themselves and/or the school, school district or community.

Approved: 1986-04-17
