

# 2010 APPLICATION FOR EARL MARRIOTT SECONDARY BURSARIES AND SCHOLARSHIPS

## I. Eligibility

- a) Candidates must be in Grade 12, be registered in a minimum of 6 courses in their Grade 12 year (either at EMS or Surrey Connect) and must complete graduation requirements.
- b) Candidates must be intending to continue some form of vocational or academic training within two years of winning any award.
- c) **Academic Criteria:** Candidates must have an above-average achievement record, *particularly in those courses* related to their future vocational plans. In the past, most awards have been made to students with an average of “B” or better, although a few students with an average between “C+” and “B” have received awards. The top 4 Grade 11 and 12 academic subjects will be considered for most, but not all, of the awards
- d) **Other Criteria:** Leadership, school and/or community involvement weigh heavily for the majority of awards. The scope (depth and breadth) of involvement is important. Financial need is another major consideration for a number of the awards. If your family is not in a position to pay for you to continue your post secondary education and you would be unable to attend without a student loan, you may qualify for the needs-based awards.
- e) To receive the award, winning candidates must bring proof to the school that they have enrolled in post secondary studies.

## II. Selection of Award Winners

The selection of winning candidates is made by the school’s Bursary and Scholarship Committee. Factors used in selecting winners include students’ achievement record, extra-curricular school and community involvement, effort and financial need. Results are made known at the **Commencement Ceremony** on Thursday, May 27, 2010.

## III. Completion of Application Form

- a) **Complete the application using either neat block printing or typing.**
- b) When you have completed the application form, detach this page and submit ALL other pages.
- c) No application for an award will be considered unless a completed application form is returned **in person to Mr. Webster or Mrs. McLeod by 3:00 p.m. Friday, April 9, 2010.**
