

Planning

Personal Dating Ad

Your task is to create a dating ad that promotes your personal strengths, qualities, interests, personality type(s), MI type(s) and other attributes, as discovered using the various self-inventory quizzes you have previously completed. Your Ad must meet the following criteria:

- ★ Your Picture using PhotoBooth
- ★ Statistics (hair color, height, etc.)
- ★ 4 Paragraphs (Personality, Interests, Skills & Abilities, Values)
- ★ 150 word minimum per paragraph
- ★ 40 adjectives that describe **YOU** and highlighted in some way (bolded, underlined, etc.)
- ★ Styled like a Mock Dating Website

Your initial focus should be on writing the 4 paragraphs. Once complete, be as creative as possible in formatting you ad to appear as if it is a “real” online dating ad. Use the computer skills acquired while working on the Acceptable Use Poster.

Your Ad will be graded based on the following marking scheme:

- ★ Quality of Paragraphs (5 Marks each)
 - ★ Adjectives (20 Marks)
 - ★ Presentation (10 Marks)
-
- ★ **Total** (50 Marks)
