

The University of Western Ontario believes firmly in the pursuit of academic excellence and rewards it with one of Canada's most extensive scholarship programs. In support of this commitment, we have established The National Scholarship Program. These scholarships are designed to reward all-around excellence, both in academic and extracurricular achievement.

For the 2012/2013 academic year, The National Scholarship Program will offer to exceptional young women and men:

- Up to 10 President's Entrance Scholarships valued at approximately \$50,000 (\$10,000 per academic year for a period of four years with \$10,000 towards first year residence costs);
- Up to 10 Faculty Entrance Scholarships valued at approximately \$30,000 (\$6,000 per academic year for a period of four years with \$6,000 towards first year residence costs);
- One Beryl Ivey Continuing Entrance Award valued at \$64,000 (\$16,000 per academic year for a period of four years);
- And, up to 50 National Merit Awards valued at \$2,000 for one year. These award winners remain eligible for admission scholarships.

As part of the application process, students are required to obtain a nomination from their school. Each school can nominate up to **four** students for the Western National Scholarship Program and it is up to the school to determine the nomination process for their students. Please note that schools are not nominating a student for a specific scholarship. The nomination is for the Western National Scholarship Program and it will consider students for all the scholarships available within the National Scholarship Program.

We are excited and pleased to announce the launching of our on-line application for the Western National Scholarship Program. An official transcript for the student is required from the school. The transcript can be uploaded in PDF format to the student's application. The application deadline is **February 14, 2012**.
