Tuesday, November 1<sup>st</sup>, 2011

- Post-Secondary Institutions (PSI) Choices forms become available online

Tuesday, November 15<sup>th</sup>, 2011

- Grad Assembly @ 9:40 a.m. - Theatre

Friday, November 17<sup>th</sup>, 2011

- Transcript Verification Reports (TVRs) become available
- Last day to submit Year Book Grad Write-ups

Monday, November 21<sup>st</sup>, 2011 to Friday, November 25<sup>th</sup> 2011

- Gown sizing for all Grade 12's
- Sizing takes place at lunch time from 11:00 a.m. - 12:00 p.m. in OFFICE everyday this week

Tuesday, November 22<sup>nd</sup>, 2011

- Last day to register for the Dec. 1<sup>st</sup> LPI Exam

Thursday, December 1<sup>st</sup>, 2011

- Post-Secondary Information evening from 7:00 – 8:30 p.m. in the garage at Fraser Heights

Monday, January 23<sup>rd</sup>, 2012 to Friday, January 27<sup>th</sup>, 2012

- Provincial Exams (English 12, Communications 12, First Nations Studies 12)
- Please Note: Some dates and times may change
- **\*\*FRASER HEIGHTS EXAM TIMES START HALF AN HOUR EARLIER THAN THE PROVINCIAL START TIMES\*\***
- Please refer to the Ministry of Education website for up-to-date schedule: <http://www.bced.gov.bc.ca/exams/handbook/schedules.htm>
- English 12 Provincial Exam will be written at Calvary Christian Church (16296 – 104<sup>th</sup> Avenue). Students are responsible for their own transportation to and from the examination site
- Other Grade 12 Provincial Exam locations will be announced closer to the exam date

Monday, January 30<sup>th</sup>, 2012

- Semester II Begins

Monday, February 20<sup>th</sup>, 2012

- Valedictorian Applications available

Tuesday, March 6<sup>th</sup>, 2012

- Grad Assembly @ 9:40 a.m. - Theatre

Monday, March 26<sup>th</sup>, 2012

- Valedictorian Applications due

Monday, March 30<sup>th</sup>, 2012

- Grad Transitions deadline for students applying for School Scholarships

Monday, April 2<sup>nd</sup>, 2012

- Fraser Heights Scholarship Applications available

Thursday, April 5<sup>th</sup>, 2012

- Partners 36 Scholarship Applications due

Tuesday, April 10<sup>th</sup>, 2012

- Last day to register for the Apr. 19<sup>th</sup> LPI Exam

Tuesday, April 17<sup>th</sup>, 2012

- Career Night from 7:00 – 9:00 p.m.

Tuesday, April 24<sup>th</sup>, 2012

- Grad Assembly @ 9:40 a.m. – Theatre

Thursday, April 26<sup>th</sup>, 2012

- School Scholarship Applications due to Ms. Domingo

Thursday, May 3<sup>rd</sup>, 2012

- Commencement Write-Ups due

May 2012

- Commencement, Dry Grad, and Dinner & Dance Tickets become available to graduating students
- Prices and exact times of availability will be given closer to the date
- Applications for Canada Student Loans should be submitted

Tuesday, May 29<sup>th</sup>, 2012

- Commencement Rehearsal - Gym

Thursday, May 31<sup>st</sup>, 2012

- School Leaving Ceremony for Class of 2012 at Chandos Pattison Auditorium @ 7:00 p.m. (10238 – 168 Street , Surrey, (604) 581-2981)

### Saturday, June 2<sup>nd</sup>, 2012

- Graduation Dinner & Dance
- Parkview Terrace Ballroom, Vancouver Trade and Convention Centre, 6:00 p.m.
- All school rules apply
- Parents welcome
- Details to follow
- Dry Grad

### Wednesday, June 20<sup>th</sup>, 2012 to Thursday, June 28<sup>th</sup>, 2012

- Provincial Exams
- Please Note: Some dates and times may change
- **\*\*FRASER HEIGHTS START TIMES ARE NOT THE SAME AS THE PROVINCIAL START TIMES\*\***
- Please refer to the Ministry of Education website for up-to-date schedule:  
<http://www.bced.gov.bc.ca/exams/handbook/schedules.htm>
- English 12 will be written at Calvary Christian Church (16296 – 104<sup>th</sup> Avenue). Students are responsible for their own transportation to and from the examination site
- Location for all other Grade 12 Provincial Exams will be determined closer to the exam period

Dates and Times **SUBJECT TO CHANGE**  
Please remember to check the school website  
([www.firehawks.ca](http://www.firehawks.ca))  
for the latest information and schedule changes.

### THINGS TO KNOW OR DO BEFORE GRADUATION

- ❑ Make sure you have the basic 80 credits for graduation. See your counsellor or check the graduation requirements online at:  
[http://www.bced.gov.bc.ca/graduation/grad\\_certificate.htm](http://www.bced.gov.bc.ca/graduation/grad_certificate.htm).
- ❑ Make sure you have the appropriate courses for the post-secondary institution and program of your choice (Check the appropriate websites).
- ❑ Confirm the accuracy of your transcript in November when your teacher gives you your Transcript Verification Report (TVR).
- ❑ Complete your Post-Secondary Institution (PSI) Choices form online at the student secure web on the Ministry website [www.bced.gov.bc.ca/exams/tsw/tsw/student/](http://www.bced.gov.bc.ca/exams/tsw/tsw/student/) starting November 1, 2011 so that your official transcript will be sent to any post-secondary institution you have applied to (Very important).

- ❑ Create your own account with the Ministry of Education. Go to [www.bced.gov.bc.ca/exams/tsw/tsw/student/](http://www.bced.gov.bc.ca/exams/tsw/tsw/student/) and enter your PEN and password. You will be able to access all of your Provincial Exam results and your PSI form from this account.
- ❑ Attend the Canadian Universities Event (CUE) on Thursday, September 29<sup>th</sup> from 1:30 – 3:30 p.m. Come prepared with questions.
- ❑ Attend the Post Secondary Information (PSI) evening on Thursday, December 1<sup>st</sup> from 7:00 – 9:00 p.m. Come prepared with questions.
- ❑ Check for campus tours, information sessions, and open houses at the post-secondary institutions you are interested in attending.
- ❑ The best way to gain insight into post-secondary institutions is to make an appointment with an academic advisor at the institutions that you plan to attend to discuss your situation.
- ❑ Check college and university websites for additional entrance requirements (TOEFL, LPI, SAT, etc.). Give yourself plenty of time to write these exams and remember to have your results forwarded to your university/college of choice.
- ❑ Check the appropriate post-secondary websites for application deadlines. Many colleges, technical institutes, and US schools have fall due dates beginning in October.
- ❑ Application websites that may be useful:
  - <https://applybc.ca> (BC schools)
  - [www.ouac.on.ca](http://www.ouac.on.ca) (ON schools)
  - [www.commonapp.org](http://www.commonapp.org) (USA schools)
- ❑ Check for post-secondary institution scholarship deadlines.
- ❑ Check the bulletin board in the Counselling Office and also the school's website: [www.firehawks.ca](http://www.firehawks.ca) for grad information.
- ❑ Provide Ms. Domingo with your e-mail address to get graduation and/or scholarship information updates.
- ❑ Students interested in writing the LPI must contact Paragon Testing at <http://www.lpitest.ca/>

## WHAT DO I NEED TO GRADUATE?

### Graduation Program

- |  |  |
|--|--|
| <ul style="list-style-type: none"> <li>☑ total of 80 credits in Grades 10, 11, 12 (each course at Fraser Heights is 4 credits)</li> <li>☑ must complete a minimum of four Grade 12 level courses (including English 12, EFP 12 or Communications 12. Grad Transitions cannot count towards 1 of the 4 grade 12 required courses)</li> <li>☑ English 10 <u>and</u> English or Communications 11</li> <li>☑ Any Math 10 <u>and</u> 11</li> </ul> | <ul style="list-style-type: none"> <li>☑ Social Studies 10 <u>and</u> Social Studies 11 or First Nations 12</li> <li>☑ <u>Four</u> electives at grade 10, 11 <u>or</u> 12 level</li> <li>☑ Science 10 <u>and</u> any Science 11</li> <li>☑ PE 10</li> <li>☑ Planning 10</li> <li>☑ one Fine Arts or Applied Skills course at the Grade 10, 11, <u>or</u> 12 level</li> <li>☑ Graduation Transitions</li> </ul> |
|--|--|

## GRADUATION PROGRAM (PROVINCIAL) EXAMS

The Ministry of Education has eliminated provincial exams in Grade 12 except for: English 12, Communications 12, English 12 First Peoples and First Nations Studies 12.

The Ministry of Education has stated that “the examination rewrite rule will be relaxed for one year (September 1, 2011 to August 31, 2012) to allow students to rewrite a required exam to improve their scores. Students may rewrite a provincial exam within the 12 month period following their first attempt at the exam. For the 2011-2012 school year, the following rules will apply:

1. If a student has had two attempts, they may rewrite a third time to improve their result.
2. If a year has lapsed since the student’s last attempt, he or she may rewrite without retaking the course.
3. Students may choose to rewrite old Math 10 exams to improve the exam mark to qualify for the new Provincial Exam Scholarship Program

## GRADUATION TRANSITIONS

Students must complete Graduation Transitions in order to graduate. The course is worth four credits and it will count towards the necessary 80 credits of graduation (but not as one of your four Grade 12 required courses). There is no percentage given for this course. Students will receive an RM (requirement met) on their transcript. In order to successfully meet the requirements of this course you will need to:

- Complete 30 hours of work or volunteer experience and the Community Connections reflection sheet.
- Complete 150 minutes of physical activity per week in Grades 10, 11, and 12 and the Personal Health reflection sheet.

- Finish your transition plan (Career and Life).
- Students will be required to complete an exit interview scheduled in February or March.

*All required information is available at <http://fcweb.sd36.bc.ca/~derbyshire b/> or from Mr. Derbyshire in the Career Centre; please see him if you have any questions or concerns.*

## GRADUATING AFTER FIRST SEMESTER

Any Grade 12 students who are planning to graduate at the end of January 2012 should make an appointment with their counsellor to ensure that they have fulfilled their graduation requirements and that there is a plan in place to complete their Graduation Transitions. Students should also establish a school contact before they leave Fraser Heights so that they can be kept informed of graduation announcements and events.

## TRANSCRIPT VERIFICATION REPORT (TVR)

This report is a document that indicates graduation status and lists all Grade 10, 11, and 12 courses you have either completed or are enrolled in, with final or interim marks. The purpose of this form is to verify the accuracy of the information being sent to the Ministry of Education and to ensure that you have met all graduation requirements. You will be given your TVR on November 18<sup>th</sup> to enable you to have the opportunity to indicate any changes that need to be made.

\*\*\*It is YOUR responsibility to make sure the information on your TVR is accurate and returned to the office. Failure to do so may jeopardize your chances to graduate and/or entry into a post-secondary institution.

## TRANSCRIPTS

If you require transcripts for applications to post-secondary institutions and/or for scholarship applications please see Mrs. Wiebe in the main office. Please request transcripts at least one week prior to needing them.

\* If applying to schools in Ontario you should send your transcript to them at the end of the first semester (once your final marks are entered). You will also be required to send in marks for courses in second semester. Some Ontario Universities, for example, University of Toronto and Waterloo, have already begun making offers of admission to students by the time the BC Ministry of Education has begun forwarding second semester marks. If you need counsellors to fax interim marks to meet document deadlines of April 30<sup>th</sup>, please contact us the week before. If not, the transcripts from the Ministry may not get there in time for their initial selection process.

## REFERENCE LETTERS FROM TEACHERS, COUNSELLORS, ADMINISTRATORS OR OTHERS

Many universities (primarily in the US) and many scholarship and bursary applications require reference letters. When you are asking for a reference letter, please give two to three weeks advance notice. You will need to provide a completed and accurate Student Profile form (these can be downloaded from the school website) to the person(s) whom you are asking to write your reference letter. Make sure to give the person writing the reference letter information about the school or scholarship you are needing the letter for.

## POST-SECONDARY INSTITUTIONS (PSI) CHOICES FORM

This online document enables you to give the Ministry of Education permission to electronically send your official transcript to any post-secondary institution you have applied to. This form will be available on-line at: [www.bced.gov.bc.ca/exams/tsw/tsw/student/](http://www.bced.gov.bc.ca/exams/tsw/tsw/student/)

\*\*\*It is YOUR responsibility to complete this form. University and college applications cannot be completed without it.

## TESTING AND ASSESSMENTS

### Language Challenge Exams

Challenge exams are available in French, German, Japanese, Korean, Mandarin, Punjabi, and Spanish. If you do not qualify for equivalency language credits and you are in Grade 10, 11, or 12, with a high level of skill in reading, writing and speaking a language other than English, you may be eligible to write a language challenge exam.

If you are interested in writing a language challenge exam and you meet the above listed requirements then you need to:

- Read the instructions on the following website:  
<http://web.deltasd.bc.ca/schools/secondary/challenge-exams> or google “language challenge exams”.
- Download the application and type your information onto the online form (page 10) print and complete the rest by hand.
- Hand in the fully completed application to Mr. Steele well before Friday, October 28, 2011 including:

- A \$50 cheque made payable to the Delta School District (\$135 for non-citizens).
- On the back of the cheque print your legal name, Fraser Heights Secondary School, and the exam you are challenging.
- A passport sized photo.

Challenge exams can only be written once for each Grade 11 and 12 course. The language challenge exam will be written in January 2012 and the results will be mailed to students in March 2012.

See Mr. Steele in the Counselling Office if you have any questions.

### Language Proficiency Index (LPI)

The LPI is a two and a half hour exam which evaluates your proficiency in the English language. It identifies errors in sentence structure, language usage, paragraph construction, and essay writing. The score you receive on the LPI determines whether you can enrol in first year English courses at BC colleges or universities

Grade 12 students who are planning to apply to university may want to write the LPI test if they believe their blended final mark in English 12, EFP12 or English Literature 12 may be below a B. If you are interested in writing the LPI, you must register online at [www.lpitest.ca](http://www.lpitest.ca) prior to the exam date.

#### Deadline

November 22, 2011  
April 10, 2012

#### Exam

December 1, 2011  
April 19, 2012

Fraser Heights will not be hosting a sitting this year. Please register for a sitting elsewhere.

You are required to bring photo ID and your LPI exam ticket on the day of the exam. Results will be mailed to students four weeks after writing the LPI.

*Please see Mr. Steele if you have further questions.*

## Test of English as a Foreign Language (TOEFL)

Many post-secondary institutions require you to write the TOEFL if your first language is not English and you have had less than four years of formal education in an English speaking school. As this is a general guideline, be sure to check the entrance requirements at your chosen post-secondary institutions.

The test has three parts:

1. Listening Comprehension
2. Structure and written expression
3. Reading Comprehension

Test sittings are offered at a number of private and public agencies, with one popular choice being the UBC Career Connections.

For more information go to [www.toefl.org](http://www.toefl.org). For tutoring call KAPLAN at 604-734-8378 or visit [www.kaptest.com](http://www.kaptest.com)

## Scholastic Aptitude Test (SAT) / ACT

In general, this test is required by all American colleges and universities. If you are planning on attending a university in the United States, you should write your SAT or ACT as soon as possible. There are usually five testing dates each school year. Information booklets on the SAT are available in the Counselling Office.

You can register online for the SAT at [www.collegeboard.com](http://www.collegeboard.com). The Fraser Heights code is: 821350.

If you require tutoring for the SAT you can call KAPLAN at 604-734-8378 or visit their website at [www.kaptest.com](http://www.kaptest.com) or Sylvan at 1-888-Educate.

## COLLEGE OR UNIVERSITY? WHICH ONE IS FOR YOU?

Should you go to college or university? Many students are confused about the type of education they can receive at college. Colleges have different programs ranging from university transfer to one-year certificate programs to degree granting status in some cases.

What does this mean to you? Maybe you want to go to university eventually, but right now you aren't sure you'll have the marks, or you want to start at a smaller school, or perhaps you don't have all the classes you need to get into university. A college transfer program could be a good option. You can take all the same courses you would at university in first and second year, and then transfer your credits to university when you decide to go. Be sure to speak to a college advisor ahead of time if you are thinking of transferring after second year to ensure the courses you take are transferable.

There are many reasons to consider going to a college: smaller classes, different programs and best of all, it's much less expensive. In fact, college tuition can be well over a thousand dollars less per year than university tuition!

For more information go to : [www.educationplanner.ca](http://www.educationplanner.ca)

## COLLEGE ENTRANCE REQUIREMENTS

- High school graduation.
- You must demonstrate competency in English (TOEFL, LPI).
- Depending on your program of study, you may be required to have certain prerequisite courses.
- Most programs do not require a second language.

Deadlines for applications vary depending on the post-secondary institution and program selected. (You should always check the websites for up-to-date information on application deadlines and for specific program information.)

## UNIVERSITY ENTRANCE REQUIREMENTS (BC)

- High school graduation with the following Grade 11 courses: English 11, a Principles of Math 11, Pre-Calculus or Foundations of Math, a Science 11, Socials 11 or First Nations 12 and a language 11.  
Admission to University is determined primarily on the basis of English 12 (blended or class mark) and three additional approved academic 12 courses. These three additional academic courses will be dependent upon what specific program, i.e., Arts, Business, Sciences, etc. that you are planning to apply to. For further information concerning specific program requirements, please consult the website of your university of choice.
- Meet the English language requirement which includes completing 3-4 consecutive years of full-time education in an English-speaking educational institution or 70% (UBC) final grade in English 12, or 60% (SFU) on the blended class mark. Students may also demonstrate competency in English by meeting the required score on the TOEFL exam.

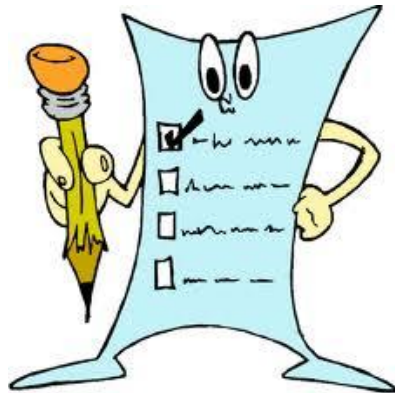

\* Special Notes:

1) If you complete a distributed learning course (Surrey Connect) and plan to use it for university entrance, you need to ensure that this course is completed by April 1<sup>st</sup> if you would like the mark to be included in our Ministry report card at the end of April. Also, ensure that Surrey Connect forwards the mark directly to the Ministry of Education. Often distributed learning courses and online course grades do not arrive at the university in time to be considered as part of your admission average. This is especially important if you are repeating the course to upgrade your mark from a course taken previously.

2) Challenge exams cannot be used as part of your admission average to UBC. They can be used to meet the language II requirement.

3) UBC Admission Process

The application deadline for U.B.C. is January 31, 2012 which is a month earlier than other universities in B.C. As of September 2012, UBC will begin looking at each student's **Personal Profile**, **Academic Profile** and **admission average** when making admission decisions. When you complete the Academic Profile, include all your completed and planned courses. These can be included when you "self report" in April / May. **Distributed Learning or Online courses should be at least 50% complete, with assignments submitted and marked by the DL teacher, well ahead of Spring Break if you would like them sent to the Ministry of Education and considered by UBC.**

It is important that prospective applicants check out the university calendars and websites for each post-secondary institution as each institution has its own specific entrance requirements. University admission averages can range from mid-60s to low 90s. Generally, the further you are away from major urban areas and the Lower Mainland, the lower the admission average requirements are for entry. Many universities will also provide program admission averages from the previous year, so it is wise to consult this information before filing an application. Early acceptance to university is available to Grade 12 students with a strong academic standing. Therefore, it is important to file your application early. Universities, colleges and technical institutes usually begin accepting applications for the following year as early as October 1. Remember that you do not need to have completed all your courses before submitting an application. Offers of early acceptance will be made to qualified applicants beginning in the early spring. These offers are conditional on satisfactory completion of secondary school graduation requirements and maintenance of the student's current admission average. Deadlines for applications vary depending on the post-secondary institution

and the program you have selected. You should always check the website for up-to-date information on application deadlines and specific program information:

### ATTENDING UNIVERSITY/COLLEGE IN THE US

- Check the university’s website for application dates. Many US university applications are due before Christmas. So apply early!
- Please contact the university you are interested in to determine what happens to an Early Action or Early Decision application that is unsuccessful.
- PSAT (Preliminary Scholastic Aptitude Test). Visit [www.ivyglobal.ca](http://www.ivyglobal.ca) for more information or call Dr. Charles Best Secondary School, Coquitlam, (604) 461-5581 for testing dates.
- SAT (Scholastic Aptitude Test). Visit [www.collegeboard.org](http://www.collegeboard.org)
- See [www.commonapp.org](http://www.commonapp.org) for more details.

### CANADIAN UNIVERSITIES EVENT (CUE)

On Thursday, September 29<sup>th</sup> we have the privilege of providing students the chance to meet with over 40 different post-secondary presenters from across Canada. The presenters will be setting up individual booths in the large gym and will meet with students informally between 2:00 – 4:00 p.m. This is a rare opportunity for Grade 10, 11 and 12 students to meet with University and College representatives from provinces other than our own.

#### Institutions that will be present:

- BC: UBC, Trinity Western (TWU), Vancouver Island University (VIU), UVic, Thompson Rivers (TRU), Emily Carr, SFU
- AB: U of Calgary, U of Alberta, U of Lethbridge, Alberta College of Art & Design

- SK: U of Saskatchewan, U of Regina
- MB: U of Manitoba, Canadian Mennonite University
- ON: Queen's, Brock, Carleton, University of Western Ontario, Lakehead, U of Guelph, U of Ottawa, U of Windsor, U of Waterloo, Wilfrid Laurier, Royal Military College
- QC: Bishop's, Concordia, McGill, Université de Montreal
- NB: Mount Allison, St. Thomas, UNB Fredericton
- NS: Acadia, Dalhousie, St. Mary's, St. Francis Xavier, University of King's College, NSCAD University

## POST-SECONDARY INFORMATION EVENING (PSI)

Fraser Heights will be hosting a Post-Secondary Information evening on Thursday, December 1<sup>st</sup> from 7:00 – 8:30 p.m. for all Grade 11 and 12 students along with their parents. Twelve local post-secondary institutions will be represented during this evening.

Parents and students will have an opportunity to meet with presenters in our cafeteria for informal discussions.

### PRESENTERS:

BC Institute of Technology (BCIT)  
 Douglas College  
 Capilano University  
 Kwantlen Polytechnic University  
 Langara College  
 Royal Military College of Canada /  
 Canadian Forces

Simon Fraser University (SFU)  
 Thompson Rivers University (TRU)  
 Trinity Western University (TWU)  
 University of the Fraser Valley (UFV)  
 University of Northern BC (UNBC)  
 University of Victoria (UVic)

### OPEN HOUSES

There are so many intangible qualities of a school that are practically impossible to fit into a pamphlet. For example: Are people friendly? Do the students have an academic curiosity? Is the campus aesthetically pleasing? How is the food? Can you picture yourself as a student there? These are all things you will have to see for yourself when you visit a campus.

Many students from other places will need to think about how easy it is to get on or off the campus? Is there public transportation readily accessible? If you drive, is there parking readily available? What will it cost?

In addition, the surrounding area should have something to offer. Yes, the campus has lots of amazing things to do, but eventually you're going to want to explore further. Are there restaurants and cultural venues nearby? What is there to do in the university's neighbourhood? What are the options for entertainment off campus?

Being a busy university/college student, you will learn to value your time and be efficient with your day. Remember, if a campus is really big, it might take you a while (15 – 30 minutes) to walk to class (not to mention find a place to park if you drive) and this time can add up quickly.

Living accommodations also count. Do you think you can sacrifice living standards for the academics? Remember, if you are unhappy in your living conditions, it will affect other parts of your day and your general happiness with your post-secondary experience. Remember, if you are planning to live in residence, apply early.

## TIPS TO HELP PLAN A SUCCESSFUL CAMPUS VISIT

The key to a successful campus visit is planning. Students should keep in mind the following helpful hints when scheduling their campus visits:

- Plan ahead. Contact the admissions office to ask about special visit days/open houses, office hours, and activities planned.
- Keep an open mind. A campus visit may confirm what is already known about a school, or it may present new opportunities. Don't rule out a school based on preconceived ideas.
- Be focused and flexible. Attend information sessions and tours sponsored by the admissions office, but also seek out spontaneous opportunities to interact with community members.
- Investigate academic opportunities. Most professors welcome visitors. Schedule a meeting with a faculty member in an area of interest. Visit the classrooms, laboratories, libraries, and studio spaces. Don't be afraid to ask questions.
- Explore the campus. What do the buildings look like? Are the grounds nice? Are there places to study or relax? Be sure to tour the residence halls. Learn about the dining areas, fitness centres, laundry facilities, computer and study rooms, and shops.
- Ask about extracurricular activities. Visit the student activities office to find out what clubs and organizations are on campus. Ask a student what he or she does at night and on the weekends (if they live on campus). If interested in sports, see what varsity, intramural, and club sports the school offers. Meet with a coach, if possible.

*Information on campus tours, information sessions, and open houses can be found at the individual institutions' websites or call their recruiting/advising office.*

## TRADE CAREERS

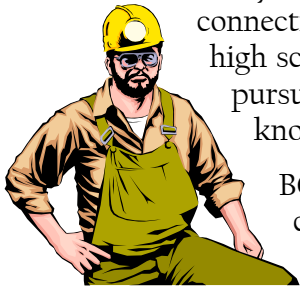

If many of these statements apply to you, find out more about trades occupations.

*Check off the things that describe you:*

- I enjoy working with my hands.
- I have good hand-eye coordination.
- I get satisfaction when I can put something together.
- I am interested in how things operate.
- I want to know about the latest technology in the area of my interest.
- I am okay with numbers, especially if they are relevant to my project.
- I can follow directions, both written and verbal.
- I can work with others to get a job done but I can also work on my own.

Many students experience an increased interest in their education once they make the connection between school and how it relates to their future. The training pathway from high school to a career in trades is often shorter in duration than other post-secondary pursuits. Work-based learning provides students with job-ready skills and knowledge.

BC has the fastest growing job market in Canada and this trend is expected to continue. New job openings between now and 2015 have been projected at more than one million with above-average growth in jobs that require trades training. Over 100 trade occupations from carpenter to baker translate into options and opportunity. Here are some examples of just some of BC's in-demand trades:

- Automotive Refinishing Prep Technician
- Automotive Service Technician
- Bricklayer
- Cabinetmaker
- Construction
- Cook
- Electrician
- Hairstylist
- Heavy Duty Equipment Technician
- Landscape Horticulturist
- Machinist/Millwright
- Motor Vehicle Body Repairer
- Plumber
- Sheet Metal Worker
- Welder

Learning on the job is a key component to becoming a qualified tradesperson. Most trades involve a combination of paid on-the-job learning with instruction at a college or other training centre. Finally, a "Red Seal" trade or inter-provincial designation enables a tradesperson to be mobile within the province and across Canada.

For students who learn best in informal, hands-on settings, apprenticeships can be a rewarding path to a great career. And the best part? You can earn \$\$ while you learn the trade.

To find out more about careers in trades industry, go to [www.itabc.ca](http://www.itabc.ca), [www.careersintrades.ca](http://www.careersintrades.ca), [www.caf-fca.org](http://www.caf-fca.org), [www.skillscanada.com](http://www.skillscanada.com), [www.apprenticetrades.ca](http://www.apprenticetrades.ca).

## TOP 5 FACTS ABOUT TRADE CAREERS

1. In demand – Tradespersons are in high demand with strong prospects in the future.
2. Opportunities - Tradespersons can use their skills in a variety of industries, work within large companies, move into management, consulting, teaching and/or start their own business.
3. Income – Tradespersons can earn above-average incomes with growth potential.
4. Lifestyle – Tradespersons can work in their home communities or across Canada, from small towns to large metropolitan centres.
5. Hands-on training – Trade occupations appeal to a wide variety of youth. Real-life projects, work experience and the chance to put learning to use right away hook students like no other post-secondary option.

## OVERSEAS OPPORTUNITIES AFTER HIGH SCHOOL

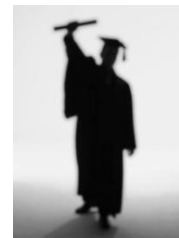

Many students and parents who are interested in the following programs should visit the following websites:

Gap programs: [www.gapyearabroad.ca](http://www.gapyearabroad.ca) and [www.mygapyear.ca](http://www.mygapyear.ca)

Katimavik: [www.katimavik.org](http://www.katimavik.org)

Canada World Youth: <http://cwjcm.com/>

Class Afloat: [www.classafloat.com](http://www.classafloat.com)

## HOW TO FINANCE YOUR POST-SECONDARY EDUCATION

### *Grade 12 Graduation Program (Provincial) Examinations Scholarships*

- Based only on the required provincial exams: English 10, a Math 10 course (PMA10, AMA10, EMA 10, MFMP10, MAWM10), Science 10, Social Studies 11 or First Nation Studies 12 and English 12 (or EFP 12 or Communications 12)
- \$1,000 will be awarded if the following requirements are met:
  - a) meets the basic eligibility requirements;
  - b) fulfills the BC graduation requirement; **and**
  - c) meets the following requirements:

- i. The student must achieve **at least** a “B” (73% or higher) as a final or blended mark in English 12, EFP 12 or Communications 12.
- ii. The student will need to achieve overall one “A” (86% or higher) and three “B’s” (73% or higher) on four of the five required provincial exams (listed above). EN12 can be used as one of the four best exam scores

When a student has two different percent scores for the same provincial exam, the best one will be used for consideration.

- The examination re-write rule will be relaxed for one year (Sept. 1/2011 to Aug. 31/2012) to allow students to rewrite a required exam to improve their scores (see page 7 under “Graduation Program (Provincial) Exams section for more details).
- AP or IB scores will no longer count towards this scholarship.
- If a student ranks among the top 20% of all provincial scholarship winners, they will receive \$2,500.
- If a student achieves 100% in each of three provincially examinable subjects, they will be awarded an Academic Medal of Excellence.
- **You do not need to apply for this because you will be considered automatically.**
- Can be redeemed when a student enters a designated post-secondary institution.
- Sent to students in mid-August; those students whose marks do not meet the deadline date for the August mailout will receive their packages in September.

#### *Dogwood District/Authority Awards*

- Consists of a \$500 cheque and a \$500 scholarship voucher.
- Rewards students for superior achievement in their chosen non-academic field(s) (Fine Arts, Physical Activity, Second Languages, Applied Skills).
- A student may be awarded both a Dogwood District/Authority Award and a Grade 12 Graduation Program Examinations Scholarship.
- **You must apply for this at Fraser Heights. Conditions for application are the same as for FHSS scholarships.**

#### *Passport to Education*

- The value of the Grade 12 stamp is \$500.
- Qualification is determined by the secondary school, based on the established Ministry of Education guidelines.
- **You do not need to apply for this.**

### *Partners36 Scholarships*

- Range from \$500 - \$2,000.
- Only one application per scholarship will be submitted from each school in Surrey.
- Very competitive – 12 scholarships in total.
- You must apply for this at Fraser Heights by Thursday, April 5<sup>th</sup>, 2012 (one week earlier than the posted date in the agenda). The Scholarship Committee determines which applicants to put forward. See Ms. Domingo for more details.

### *Secondary School Apprenticeship Scholarships (SSA)*

To qualify for the \$1,000 scholarship, a student must:

- Be a registered youth apprentice with the Industry Training Authority (a student participating in the SSA program is required to be registered with the school district (in an SSA course) and the ITA.
- Complete graduation requirements.
- Maintain a C+ average in Grade 12 numbered courses.
- Successfully complete 16 credits of SSA courses (which are based on 480 hours of paid workplace training) no later than three months after graduation.
- Submit an application form within one year of graduation from high school.
- Continue working or training full-time in the trade at least five months after high school graduation, or complete at least 1,100 apprenticeable hours (including the 480 SSA hours) that are reported to the ITA.
- See Mr. Derbyshire for complete details.

### *Corporate/Service Clubs*

- Examples include:
  - Unions
  - Companies
  - Corporations
- You must apply for this on your own – not at Fraser Heights.

### *College/University*

- Examples include:
  - Entrance
  - Departmental
  - Private/Alumni

- You must apply directly to the post-secondary institution for consideration based on GPA and extra-curricular involvement in athletics, the arts, school and community service and student government.
- Scholarships requiring nomination from the school are required at least three weeks prior to the deadline. The Scholarship Committee determines which applicants to put forward. See Ms. Domingo or Mr. Pocock for details.

### *School*

- Examples include:
  - FHSS PAC and feeder school PACs
  - Local community business scholarships
  - FHSS Career Ed / STA
- The Scholarship Committee determines the recipients. Our philosophy is to disperse the financial awards to as many students as possible.
- You must apply for this at Fraser Heights.
- Any interested Grade 12 students may download the scholarship application form(s) from the school website starting Monday, April 2<sup>nd</sup>, 2012.
- The completed application form(s) must be returned to Ms. Domingo by Thursday, April 26<sup>th</sup>, 2012 (one week earlier than the posted date in the agenda).

*Note: To be eligible for any Fraser Heights Scholarships, you must have completed ALL of your Graduation Transition components by March 30<sup>th</sup>, 2012.*

### *Military Sponsorship*

Students considering a career with the military should consider sponsorships through Canada's military college, the Royal Military College in Kingston, or through the Armed/Navy/Air Forces.

## HELPFUL HINTS WHEN APPLYING FOR SCHOLARSHIPS

### 8 Tips for Submitting a Great Scholarship Application:

1. **Passion for the subject:** Prioritize all the awards you find in order of personal interest. Apply for the awards with subject matter that grabs your interest first – your passion for the subject will be reflected in your application.
2. **Research:** Do the appropriate background work and find out exactly what the specific scholarship is looking for, then tailor your application. Read the rules and regulations!
3. **Clarity of thought:** Be clear and concise. Answer the essay question and only provide relevant information. Do not go over the word limit.
4. **Not a resume:** Your scholarship application essay is not a substitute for your resume, so don't simply re-write your resume in essay form. **Don't list, discuss!**

Expand on your personal experience by discussing the broader implications of the volunteer work or paid work you do and how it fits into your long-term plans.

5. **Structure, spelling & grammar:** Be aware of proper essay structure. Use Canadian spelling. Always double-check your spelling and grammar and have someone proofread your work.
6. **References:** Ideally, references should be professional, from your school or an organization that can vouch for your participation. Assume the scholarship administrator will check your references; keep your references informed about potential calls and make sure their contact information is up-to-date.
7. **Complete all requirements:** Make a checklist of all the elements required for each award. Follow the instructions and make sure you've collected and provided all required materials.
8. **Don't miss the deadline:** Don't procrastinate! Give yourself plenty of time to fill out the application and gather required documents. Don't expect an extension. In order to be fair to all applicants, administrators tend to be very strict with their deadlines.

- [www.schoolfinder.com](http://www.schoolfinder.com)

### Obtaining a letter of support for a financial award

Try to get a mix of supporting letters (teacher, employer, someone from the community). Make certain that the people you choose will speak positively about you. If you are applying for several financial awards, ask the person writing the letter to either use a *Dear Name of Scholarship Selection Committee* introduction to make it personal or *To Whom It May Concern* if a person is not addressed or given in the application instructions. Ask them to put it on a word processor so that they can edit the letter several times without having to re-write it every time. Give the person at least two weeks to write the reference letter and provide them with your Student Profile form (available on the school website). Make sure to give the person writing the reference letter information about the scholarship you are applying for.

### Suggestions:

- Make a scholarship binder.
  - Reference letters, certificates, newspaper clippings, etc.
- Make an activities/accomplishments list utilizing the Student Profile form.
  - Talk to family and friends to see if they can think of anything else. They may remember something you've forgotten about.
- Get involved by:
  - Playing a sport, starting a club, volunteering, showing your initiative and developing your leadership skills.
  - Becoming active in your school and community. Not only is this fun and rewarding, but it's something that the vast majority of scholarship committees look for.
- Organization is key!!! Purchase manila envelopes and post-it notes. Write the mailing address for the scholarship on the envelope. Keep all the materials related to that scholarship within the envelope as soon as you begin working on it. Stick post-it notes on the envelope to write the scholarship name, the deadline and what you still need to do in order to complete the application.
- Scholarship essays are not impossible. You CAN do it!!! When writing:
  - Try to have an interesting introduction. They may well be going through hundreds of applications – how does yours stand out?

- Make it personal. Don't simply re-write your resume in essay form. **Don't list, discuss!**
  - Make each sentence count. **EDIT!!!** Ask friends, family and/or teachers for insight.
- AND REMEMBER...
- Be confident!!!
  - Apply, apply apply!!!

Applying for the first three scholarships is as much work as applying for the next ten. Getting started is the hardest part. Also, you can't win if you don't apply. Remember...there's a lot of money out there waiting for you!

## BRITISH COLUMBIA POST-SECONDARY INSTITUTIONS
