## CHOICE PROGRAMS

B.C.'s largest school district offers a variety of choice programs that challenge students and enhance special skills or philosophies. Whether language programs such as French Immersion, academically-focused programs like International Baccalaureate, Traditional schools or Fine Arts programs, students receive the regular B.C. school curriculum and have an opportunity to extend their understanding and experience.

## **Discovery** (Grades K-7)

At Discovery Elementary school, students, staff and families work together to create a non-competitive and encouraging environment. Students become confident life-long learners as they study school-wide themes in multi-aged groups. As our students achieve academic success, they develop personal and social skills, self-discipline and mutual respect.
