

Attn: Principals, Vice Principals and Teachers of SD #36

We are very excited and pleased to share information with you on our new Kidz'n Power program. This is a program that works in conjunction with Amber Alert.com with research based information from the Olweus Bullying Prevention Program. The SD36 Business Development and Safe Schools Departments have reviewed the program and approved it for use by schools.

The Kidz'n Power program focuses on 4 main areas

- 1) Anti-Bullying Seminars,
- 2) Fitness Obesity Training,
- 3) Leadership Training and
- 4) Child Abduction Prevention.

Our professional educators, who live in your community, would be very pleased to come and share their knowledge and expertise with you and your students.

As instructors and educators we believe that this program can benefit all those involved the students, the school and the community. Please contact the instructors directly mentioned below to schedule a date and time. You may also contact Liane Ricou, Manager, Business Development, Surrey School District, if you have questions about us or our program ricou_1@sd36.bc.ca.
