

Meet the Scientists at AAAS Family Science Days!

Visit Family Science Days during the Annual Meeting of the American Association for the Advancement of Science (AAAS).

Browse interactive tabletop exhibits, learn about cool science jobs, and have your questions answered by experts convened by AAAS! This **FREE** event is open to all, but organized especially for students in grade levels 6 to 12.

All Family Science Days events will take place on **Saturday and Sunday, 18-19 February** at the [Vancouver Convention Centre](#) in Vancouver, British Columbia, Canada.

This community science showcase—featuring hands-on demonstrations and other family and kid-friendly activities—shines a spotlight on a broad range of educators working to promote an interest in science among the general public.

No preregistration is required. Register for free on-site to receive your pass for this event.

More info at: <http://www.aaas.org/meetings/2012/program/fsd/>

Free Science Fun

At Family Science Days, you will be able to:

- Create an earthquake
- Touch live sea creatures
- Learn about alien planets and distant stars
- See the invisible- from the weather to electricity to DNA
- Launch your own rockets
- Meet cool scientists
- And much, much more!
